V. A DEDUCTION

God Knows me and searches our hearts

DOES GOD KNOW EVERYTHING

Only god knows why he does things.

There might be bad things but
when something bad happens, something
better will happen after.
Have a positive attitude towards your
problems and disappointments and you will
have an amazing life full of beautiful
surprises. It will always be okay in the end.

If it's not okay, it's not the end.

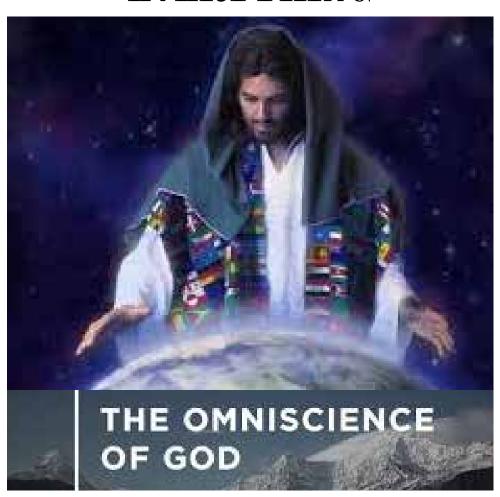

Sometimes

I want to ask God

why He allows poverty, famine and injustice in the world when He could do something about it, but I'm afraid He might just ask me the

same question

PSALM 139:1-6
