

V. ASSURANCE TO LOOK

"ATHEISTS DON'T HATE FAIRIES LEPRECHAUNS, OR UNICORNS BECAUSE THEY DON'T EXIST. IT IS IMPOSSIBLE TO HATE SOMETHING THAT DOESN'T EXIST. ATHEISTS HATE GOD BECAUSE HE DOES EXIST."

— RAY COMFORT

To talk about God as a Creator is not religion. Religion is man's attempt to reach God. This is simply looking at the facts of the world around us. You can't help but look at creation. It's all too phenomenal. You'd have to repress something to think this is all about evolution.
