Goodness

Do all the good you can, by all the means you can,
in all the ways you can, in all the places you can,
at all the times you can, to all the people you can,
as long as ever you can.

1. Define Goodness

a. Basic Definition
i. Goodness means something admirable, attractive, and praiseworthy. In other words, worthy of approval.
ii. "God is only originally good of himself. All created goodness is a rivulet from this fountain, but divine goodness hath no spring; God depends upon no other for his goodness, he hath it in and of himself. Man hath no goodness from himself, God hath no goodness from without himself; his goodness is no more derived from another than his being." - Stephen Charnoc
iii. Whatever is worthy of God's approval
